III. MISSION, PHILOSOPHY AND VISION

Holy Trinity Elementary School, Hartington, Nebraska, belongs to the Archdiocese of Omaha's Educational System and is an integral part of the life of Holy Trinity Parish. Thus, it shares in the teaching mission of the Catholic Church.

Our mission at Holy Trinity Elementary School is to form a community of faith based on the teaching of Jesus Christ and to cultivate knowledge by promoting a Catholic way of life through Gospel values and a commitment to academic excellence.

Parents are indeed the first and most important teachers of their children and they, together with their Catholic School, can afford the fullest and most unique opportunity to realize the threefold purpose of Christian Education: proclaiming the "Good News" of Jesus Christ, living out that message in community, and informing the message through service.

Holy Trinity Elementary School carries out this mission through a faith-filled curriculum, which emphasizes the education of the whole child - spiritually, intellectually, physically, emotionally, socially and culturally. To this end, faith, religion and values are integrated across the curriculum. A strong academic program including technology is offered, and a well-rounded physical education program is in place. The fine arts of music, speech, band and art, as well as global and multi-cultural awareness, enhance the overall academic program. Many all-school liturgies, activities

and events are offered as ways for our students to experience a caring, supportive and cooperative community with a focus towards service. The curriculums are on file in the classrooms and are accessible to all who are interested.

Students are expected to abide by the rules of the school, apply themselves to their schoolwork, complete their assignments on time, and be contributing citizens of their community and county, to be confident, life-long learners, and to be active, informed members of the Catholic Church.

Holy Trinity Elementary School provides a strong religious education program for all students. The Catholic philosophy is integrated in academic subjects as well as the fine arts curriculum. Our religious education is a culmination of instruction by our classroom teachers, and the Holy Trinity Priest.

I. RELIGION INSTRUCTION

As a Faith Community, the center of our life at Holy Trinity is the Eucharistic Liturgy. Students and faculty join together during the week to give praise and thanks to God. Students receive religious instructions on a daily basis in the classroom and by attending Mass often. Special liturgies are celebrated at various times throughout the year and First Friday celebrations are shared with Cedar Catholic Jr. – Sr. High School students and faculty. Students receive the Sacrament of Reconciliation regularly during the school year. During Lent, Stations of the Cross are also attended. Devotion to the Blessed Mother, by praying the rosary is part of our Catholic Tradition. Prayer is incorporated throughout the day. Prayers before and after lunch are said in each classroom.

II. MULTI-CULTURAL EDUCATION

The teachers of Holy Trinity integrate multicultural education into other disciplines as the opportunity presents itself. They are constantly looking for areas where multicultural education might be presented to students as part of a lesson in reading, social studies, music, fine arts, and particularly in religion classes which, by their nature, lend themselves readily to the integration of multicultural education.

General Directives

I. ADMISSION

The Catholic elementary schools of the Archdiocese of Omaha admit students of any race, color, religious affiliation, national and ethnic origin to all the rights and privileges of students at the school.

The Catholic schools observe Nebraska law applicable to private schools regarding the age of admission to Kindergarten and First Grade. A child must be five years of age on or before July 31st. Holy Trinity may admit a child who will reach the age of five years on or after August 1st and on or before October 15th of such school year if the parent or guardian requests such entrance and provides an affidavit stating that (a) the child attended Kindergarten in another jurisdiction in the current school year or (b) the family anticipates a relocation to another jurisdiction that would allow admission within the current year (c) the child has demonstrated through a recognized assessment procedure approved by the board that he or she is capable of carrying the work of Kindergarten. To be eligible for early enrollment to Kindergarten at Holy Trinity a parent must request and submit the *Written Request for Consideration of Early Kindergarten Entrance* on or before March 15th.

The Catholic schools observe Nebraska law applicable to private schools regarding records required for admission.

II. PARENTAL KNOWLEDGE OF SCHOOL PROGRAMS AND ACTIVITIES

As the primary educators of their children, parents should always be fully informed regarding the educational program and activities of the school. Holy Trinity sends out monthly newsletters, sends notes from the school in the students “take home” folders, and regularly updates the school website and school hotline. In the event that parents have questions or concerns regarding specific programs or activities, they should discuss their questions and concerns using the following procedure:

1. Contact the classroom teacher if it is a classroom matter, or the principal for school matters.

2. If a satisfactory solution is not reached with the classroom teacher, the principal should be contacted. It may be necessary to arrange a meeting with the parents, teacher and principal all in attendance to settle the issue.
3. If no satisfaction is achieved, the principal and pastor will discuss the problem. A meeting may be set up with them and the parents. The decision of the pastor is final.
4. If there is a concern about Board Policy, steps can be taken to have the item placed on the agenda at the next school board meeting for review and discussion. However, it should be noted that the Board deals only with policies, not implementation of policies, and is advisory only.

If parents are seriously dissatisfied with an aspect of the school's programs or activities which the school's governance body has deemed as integral to or in the best interest of the school's goal, they may wish to exercise their option of choosing another school for their child or children.

If serious dissatisfaction results in continued agitation on the part of parents, Holy Trinity may exercise the school's prerogative to withdraw permission for enrollment of the child or children.

III. SCHOOL LUNCH PROGRAM

Students may bring their lunch to school or they may use the Hot Lunch Program. All lunches MUST be eaten in the cafeteria unless otherwise designated by the classroom teacher. No one will be allowed to leave the school premises during lunchtime. Taking food out of the lunch room is not allowed. If students bring their lunch, the sandwich, etc., must be wrapped in non-vendor type wrapping. Soda is never allowed.

Just prior to leaving their classrooms for lunch, the students and teachers will pray Grace. As expected, proper student conduct and behavior will be expected. Proper procedures and conduct will be established by the administration and enforced by the classroom teachers during supervision.

Individual lunch identification cards will be issued to each student. These cards will be left in the teacher's possession during the school year or kept in a card holder in the cafeteria. This card will be used to charge the lunch account of the student for the food they take.

Student Conduct

I. STUDENT BEHAVIOR

"Love the Lord your God with your whole heart, your whole mind, with your whole soul and love your neighbor as yourself" is the guiding principle given to us by Jesus Christ, and is a ruler by which to measure our Christian behavior. One of the missions of Holy Trinity Elementary is to provide a physically safe and emotionally secure environment for all students and staff. Positive behaviors (cooperation, teamwork, understanding, and acceptance of others) are to be encouraged in this school and are required of all staff. Respect and courtesy are expectations for all students at Holy Trinity School, not only during school hours but also on buses, before and after school, and at all school events and activities. Students are expected to respect the rights of others.

Inappropriate behaviors (bullying, intimidation, and harassment) are to be identified and students and all staff are required to avoid such behaviors. No tackle football or "rough housing" is allowed on the playground. A list of playground rules will be posted in each classroom and will be enforced with appropriate consequences. Respect for school property, whether before, during or after school is expected of every student. Property not only includes desks and books, but also, the gym floor, the playground equipment, the grounds and the buildings. Such respect can keep the grounds and properties safe for all.

Student discipline is controlled in each classroom by the classroom teacher, but is the responsibility of the entire staff at Holy Trinity. A teacher may request that the principal see a student. In this situation, the principal may administer some form of discipline. The discipline will be based individually on each situation. If a child is sent to the principal the parents will be notified. The principal may administer a detention if the discipline issue warrants, or if excessive abuses of school policy occur. Some situations may result in a student being suspended and/or expelled.

II. CONDUCT AND HARASSMENT

Conduct and harassment cases will be dealt with on an individual basis. For severe conduct and harassment situations or extremely excessive discipline issues, an in-school suspension may be administered. If the discipline issue still occurs, a conference with the parents will occur, and an out-of-school suspension may be imposed. If other discipline measures have not brought a change in behavior, expulsion by the pastor may occur.

III. DRUG/ALCOHOL/TOBACCO

Holy Trinity Elementary School is committed to educating students about the dangers of substance abuse and recognizes its moral obligation to provide drug, alcohol, and tobacco education for its students. Holy Trinity Elementary School integrates a Drug/Alcohol/Tobacco Educational Program at the primary level and progresses through Grade 6.

A student who is found at school or school functions using drugs/alcohol/tobacco, in possession of, or selling alcohol or drugs or is affected by prior use of a substance will be suspended from classes immediately and detained in the principal's office until the parent/ guardian comes for him/her.

Re-entry into school for students with a drug/alcohol problem rests with the principal and/or pastor. The student may be required to submit to a substance evaluation by a professional. If the results show that the student does have a problem, counseling and treatment must be agreed upon by the principal and the parents of the student before re-entry into the school. Mandatory counseling will be sought and penalties including suspension and/or expulsion will be assessed in proportion to the offense. Students will have the right to appeal. Harassment of any witness could result in expulsion.

IV. WEAPONS/PROHIBITED OBJECTS

Students are forbidden to knowingly and voluntarily bring to school and/or possess, handle, transmit, or use, any instrument in school, on parish grounds, or at parish/school events that is ordinarily or generally considered a weapon. Reported acts of bullying are dealt with prudently, assuring the well-being of the student who reports the act. The principal will deal with excessive or continued acts of bullying by a student.

All reports of bullying will be investigated. This investigation will include interviews with all involved parties. X. HOME BIRTHDAY PARTIES

If your child is planning a party at home, we ask that you or your child contact those children invited by phone or mail. Invitations **may not** be distributed in the classroom. In the past we have been faced with a number of incidents that have ended with hurt feelings for children who did not get invited to home birthday parties. Thus, we have established the above mentioned policy. Thank you for your cooperation on this issue. Birthday goodies at school during the day are appropriate.

Academic Directives

I. ACADEMIC POLICIES, GRADING, AND HOMEWORK

A specific time and a quiet place for home study is conducive to the development of good study habits. Parents should expect their students to have some homework, proportionate to grade level. A good rule of thumb is 10 minutes times the grade level; thus grade two would have approximately 20 minutes; grade three - 30 minutes, etc. If your child consistently seems to have too much, too little or no homework you may call his/her teacher. Encourage your child to read regularly as part of the homework assignment. Students are expected to complete all assignments on time and maintain passing grades. Help is available for students who fall behind in their schoolwork.

We use a number and/ or letter grading system for grades 1 - 6 as follows:

A+ 98 - 100	B+ 93 - 91	C+ 85 - 83	D+ 77 - 75	F 69 or below
A 97 - 96	B 90 - 88	C 82 - 80	D 74 - 72	
A- 95 - 94	B- 87 - 86	C- 79 - 78	D- 71 - 70	

Grading Scale for Kindergarten

A series of checks on various tasks will give the parents the level of progress that the student is working at.

II. EVALUATION OF STUDENTS

The Terra Nova standardized test will be given to students in grades 3 through 6. Tests are given in the fall, a report of these tests will be sent home to the parents. If as a parent any questions arise concerning these tests please contact the school. Teacher made and chapter/unit tests are given throughout the school year. Progress reports are sent home in the student's take-home folders (grades 1 – 6) at the middle of the each quarter. Parents will also be able to access their child's grades through the Sycamore Education system used by the school, grades on this program are updated by the teacher at least once a week.

Report Cards are issued at the end of each quarter. Parent/Teacher Conferences are held for all parents after the 1st quarter and by appointment for those parents wishing to see teachers or teachers wishing to see parents, during or at the end of the 3rd quarter. These conferences are intended to discuss the progress, and academic work of the students. If other concerns develop please contact the classroom teacher or principal.

Parents are encouraged to contact teachers regularly to keep informed of their child/children's progress.

See Attachment A for a sample of the Archdiocesan Field Trip Permission Form.

If students are leaving school grounds for an educational experience within the local community a note will be sent home informing parents that their child will be off school grounds.

VIII. STUDENTS WITH SPECIAL NEEDS

Parents of students with visual or hearing conditions that require special classroom seating arrangements should notify the classroom teacher and the school nurse with a written physician's statement.

- c. School staff is encouraged to model healthy eating behaviors.
- d. The school's food service program should be coordinated with the nutrition instruction if practicable. 3. Physical Activity Goals

- e. Physical education classes and physical activity opportunities will be available for all students daily throughout the school year. Students will spend at least 50% of physical education class time participating in moderate to vigorous physical activity.
