

## COMING SOON TO HARTINGTON, NE: SHROUD ENCOUNTER

**EXHIBIT:** The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made.

The exhibit presents the results of a comprehensive scientific, historical and forensic study with numerous photographs and illustrations. The exhibit is the work of the Center for the Study of the Passion of Christ and the Holy Shroud and Monsignor Giulio Ricci and other scientists, who spent more than 25 years researching the Holy Shroud.

The centerpiece of the exhibit is a full-length replica of the Shroud developed from a photographic image of the Shroud made by the Eastman Kodak Co. The replica shows the front and back of the shroud. In addition, the mobile exhibit contains a large crucified corpus showing the wounds of Christ corresponding to the passion narrative in the Gospel accounts and the wounds shown on the Shroud. The exhibit contains 92 panels detailing the history and science of the Shroud.

**PRESENTATION:** In addition to the exhibit Russ Breault will be coming to do a presentation on the Shroud. RUSS BREAULT has been researching and lecturing on the Shroud of Turin for over 25 years. His presentation makes use of over 150 superb images and unfolds like a CSI investigation.
