

Step #3- Extent of Compliance for All Schools with the LSWP

(Make a copy for your use)

Policy Area** (Write the requirements included in your LSWP in the column below)	Not Met (Number of Schools)	Partial Compliance (Number of Schools)	Full Compliance (Number of Schools)
Nutrition education will be integrated into core academic subject areas to complement the existing health curriculum.			1
Elementary students will be provided with an average of 75 minutes of physical education class per week.			1
The school system will continue to ensure an adequate time for students to eat meals and socialize with friends.			1
Non-goal related requirements of LWP- outline how you are meeting these elements in your LPW and the levels of compliance**			
<p>The goal of the school system is to provide students with foods that promote student health and reduce childhood obesity. In order to best accomplish this goal, the school system shall offer food programs that, at a minimum, satisfy the nutritional requirements established by local, state and federal statutes and regulations such as the USDA's National School Lunch Program and the Dietary Guidelines for Americans.</p> <p>School menus are prepared with input from students, parents and school system personnel. School personnel shall periodically review menus to ensure that they meet USDA guidelines.</p> <p>The school system will share information about the nutritional content of meals</p>			1

with parents and students upon request.			
<p>The school system food program shall operate in accordance with the National School Lunch Act and the Child Nutrition Act of 1996 as amended and all applicable laws and regulations of the State of Nebraska.</p> <p>The school system encourages the consumption of nutrient dense foods such as whole grains, fresh fruits, vegetables, and low-fat dairy products.</p> <p>Foods of “minimal nutritional value” as defined by 7 CFR 210.11(2) should not be served in Holy Trinity Cafeteria, where reimbursable meals are served, sold or eaten. These foods include carbonated beverages, water ices, chewing gum, hard candies, jellies and gums, marshmallow candies, fondant, licorice, spun candy and candy-coated popcorn.</p> <p>School Parties</p> <p style="padding-left: 40px;">Recommend parents to consider bringing snacks that contain less sugar, less salt, less fat.</p> <p style="padding-left: 40px;">Suggest fruit and vegetables</p> <p style="padding-left: 40px;">Popcorn</p>			1
Food and Beverage Marketing (SMART Snacks regulations-ala carte and vending, food sales during the school day)			1 A statement will be put in our Wellness Policy that “No competitive foods or beverages may be sold during the school day”.

****If any of these requirements are not met, you will need to address how you will meet these requirements moving forward as part of the Triennial Assessment summary and how the summary is made available to the public.**

District LSWP Components	For the components below, indicate whether the district is in compliance.
<p>Public Involvement- how was the public included in LWP development? (parents, community members, etc.) Measuring the implementation of the plan will be conducted on an annual basis by reviewing each goal and determining if there is evidence of the goals being accomplished. This information will be updated each year.</p>	<p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p>
<p>Public Notification- how are you notifying the public about your assessment results? The local school wellness policy content and implementation plan will be included in the Holy Trinity Handbook that all parents and public have the ability to access through our Holy Trinity website and Holy Trinity parent information packets.</p>	<p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p>
<p>Triennial Assessment- is this posted publicly? This is the first time doing this as a new principal at this school doing the assessment. It will be posted on our website. At least once every three years, the following will be made available to the public: the extent to which Holy Trinity complies with the school wellness policy;the extent to which the school wellness policy compares to model local school wellness policies;the progress made in attaining the goals of the school wellness policy http://www.holytrinityhartington.com/education.htm</p>	<p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
