July 11th in the Year of Our Lord 2021
Fifteenth Sunday in Ordinary Time

From the Pastor's Desk by Fr. Owen Korte

HT/SM Camp: Many thanks to the many donors who contributed money and food donations to the Camp. All the beef and pork was donated and many other food items. With all the monetary donations there was no bill to pay at Foodtown. This is fantastic. But the donation of time and talent by our young people to make this camp such a good one, is not to be overlooked. The 9th and 10th graders made a huge sacrifice of their summer to grow in their faith. They responded with openness, cooperation and joy. And finally, so much thanks goes to the Jr. and Sr. Counselors, the prayer team, cooks and leaders—they kept this double attendance year on track and moving always towards its goal. Like all human encounters, there are potholes along the way. The Holy Spirit directly filled in many of them, and sometimes He used us to fill them in.

WHERE ARE WE GOING? Becoming a Missionary Parish is the long goal. What does this mean? It means we all, in our own way, become missionaries. A Missionary is one who has a real relationship with the Lord, knows this is what they must have in order to get to heaven and wants others to be in heaven, too. To be a Missionary means first you have to be a Disciple. To be a Disciple means you allow yourself to be formed into being a Disciple—A Disciple listens to the Lord, talks to the Lord and rubs shoulders with others who are also being formed. With this explanation you can see how our small groups work and why they need to continue to be multiplied. As Disciples are formed and become stronger and willing to step out in faith, they branch out and invite others to walk with them—they help accompany them and together they grow in the faith. We will begin our fall with energy and hope as we reactivate our groups (if they have taken some time off) or form new ones. These things we are doing grow and flourish, not by an invitation made in the bulletin, but by one-to-one, fact-to-face contact. SO, ALL YOU WHO HAVE BEEN TOUCHED BY THE LORD, START PRAYING ABOUT YOUR NEXT STEP.

YEAR END FINANCIAL REPORT: A report to the parishes will be made the first weekend of August summarizing this past fiscal year.

VOCATION AWARENESS: Encourage a young person to simply talk to God about his/her vocation. Include God in the conversation. Invite young people to ask God, "what do YOU want me to be; what do YOU want me to do with my life?" Inviting is as simple as that.

RETREAT: I will be on retreat this week at Broom Tree up in South Dakota. I am looking forward to the silence and the rejuvenation. Keep track of the bulletin for communion services this week.

July 12 is one month before teacher meetings at Cedar and HT begin, and the **17th of July** spells one month before school begins. Seems like all is adding up to be normal summer and beginning of the 2021-22 school year.

Statement of United States Council of Catholic Bishops: Since the conclusion of the Spring Plenary Assembly of the U.S. bishops last week *(actually a couple weeks ago)* there has been much attention on the vote taken to draft a document on the Eucharist. The question of whether or not to deny any individual or groups Holy Communion was not on the ballot. The vote by the bishops last week tasked the U.S. Conference of Catholic Bishops' Committee on Doctrine to begin the drafting of a teaching document on the Eucharist. The Eucharist is the source and summit of Christian life. The importance of nurturing an even deeper understanding of the beauty and mystery of the Eucharist in our lives is not a new topic for the bishops. The document being drafted is not meant to be disciplinary in nature, nor is it targeted at any one individual or class of persons. It will include a section on the Church's teaching on the responsibility of every Catholic, including bishops, to live in accordance with the truth, goodness and beauty of the Eucharist we celebrate.
